**CORNERSTONE UNITED
METHODIST CHURCH**
ROOTED IN FAITH. GROWING IN COMMUNITY.
ALL ARE WELCOME AT THE TABLE.

**Third Sunday After Epiphany
Ecumenical Sunday
January 25, 2026**

During worship, you may observe various forms of interactive participation, such as hand motions or spoken responses. These practices are intended to foster a sense of connection, engagement, and joy in our shared worship experience. However, participation is entirely optional. There is no right or wrong way to worship, and we recognize and respect that each individual expresses their faith in their own unique way.

At Cornerstone UMC we are a people bound together through the love of God. Those who gather represent the vast diversity of God's people for we believe that in diversity we experience unity. God has invited us to be full participants in God's story. We share this story together through our lives, our worship, our prayers, our generosity, our relationships and in our service to others. God's story is a journey and not a destination. God's story invites us to be one outpost among many that bears witness to the love of God in the world. We share the story in authentic and practical ways and do not set limits on the expression and diversity of God's gifts and people. "Come as you are!" We really mean it! God is breaking down the walls and barriers of separation between people, communities, and creation.

- **Interfaith Alliance of Southwest Florida** Would you like to get involved and help protect religious freedom for all? Your membership will support their mission to:

- Build community that celebrates religious and cultural diversity.
- Facilitate meaningful relationships across faith traditions.
- Oppose attempts to impose one set of religious beliefs on others.

For more information email swflinterfaith@gmail.com, or visit www.swflinterfaith.org

- **Celebrate Cornerstone's Community Garden (Cornerstone Edibles)** In 2025, the garden produced and delivered over 4000 lbs of produce to Mision Peniel/Cultivate Abundance in Immokalee, as well as supplied fresh produce for the participants in the garden throughout the year. Many of the gardeners help distribute the food in Immokalee weekly. In the typical workweek, harvesting is on Tuesdays, distribution is on Fridays, and garden work is done on Saturdays. The garden is in its 14th year!
- **Cornerstone's Immigration Mission Something to Think About** Congress addresses funding for DHS (ICE) at the end of January.
